AZULEJOS Y  
RECUBRIMIENTOS

A dark, glossy vase is positioned on the left side of the frame, set against a background of yellow square tiles with a recessed, grid-like pattern. The tiles are arranged in a regular grid, and the lighting creates highlights and shadows on their surfaces, giving them a three-dimensional appearance. The vase is dark and reflective, with a long, slender neck and a wider, flared top. The overall composition is clean and modern.
